**The RCA Mission**

To enhance, advocate, and promote the safety, economic, social and community conditions in Rosemont by working with residents, businesses, agencies and organizations affecting our community.

**The Rosemont Vision**

Rosemont is seen as a highly desirable place to live, raise families and do business, with a wide range of engaged residents and businesses, a solid and growing economic base, excellent schools, and stimulating programs and resources that expand peoples' talents, potentials and horizons.

*Note: RCA exists to improve conditions in the Rosemont community, and to serve as a forum in which local issues can be raised, discussed and actions proposed. It has no authority to enforce codes or impose standards in the community. RCA is entirely volunteer and any actions or programs are dependent on volunteers to act to make them happen. All are invited to join in this effort.*
