### Thank you for supporting Rosemont

Your Rosemont Community Association has been working hard on your behalf this past year. Like all communities, it takes residents and businesses working together to make it better. No one will do it for us.

That's where you and the Rosemont Community Association can help. Remember, RCA is entirely voluntary, both for members and volunteers. If we don't do it, then it likely won't get done! Let us know what you'd like done to make our community even better. Equally important, let us know how you can help.

To succeed, each of us needs to do even just a little. If you are not already a member of RCA, we urge you to join now. Your annual dues of just \$20 can help do so much to improve our community, make it safer, keep your property values up and make Rosemont an even more desirable place to live and work. Check our website to learn more about what RCA does for you. Subscribe to our free news bulletins. And of course, we always welcome your ideas and concerns; share them with us at our monthly meetings or leave us a message at (916) 936-1959.

Let's all join together and make Rosemont all it can be!

Warm Regards,

*Terry Dugan*

# Your Membership Dollars at Work

Volunteer hard work combined with membership funds make great things happen. Some of those great things are shown and described below. These efforts would not be possible without our #1 source of revenue, your membership dollars. It is not just a membership, it is an investment in your community.

**Santa Parade & Toy Drive** If you looked out your window during two nights in December you would have seen Santa riding through Rosemont on his sleigh powered by Sacramento Metro Fire Department. His elves handed out candy and collected over 200 toys that were delivered to local children in need.

**Annual Celebration of Community** This annual event highlights all the wonderful people and activities here in Rosemont. There is something for everyone in the family.

Our thanks to all the donors and volunteers who have made this great event a success for the 7th straight year.

**Rosemont Scholarship**  
In order to promote, support and reward community involvement, the Rosemont Community Association offers a scholarship to a graduating high school senior who lives in Rosemont and who has demonstrated both exemplary civic engagement and academic merit.

**Graffiti Removal** Since 2011, a small group of volunteers have removed well over 300 graffiti tags or markings within our community. To report graffiti or join the volunteer effort contact: [graffiti@rosemontCA.org](mailto:graffiti@rosemontCA.org)
