Event Information

What is the Friends of Cordova Parks?

The Friends of Cordova, Inc., a non-profit partner for the Cordova Recreation and Park District, is a public benefit corporation whose mission is to promote and support recreation activities, park improvements, facility uses, and cultural well-being of the CRPD community.

What is this a fundraiser for?

Friends of Cordova wants to raise awareness and funds for the Cordova Community Pool complex. Currently the three-pool complex is closed and will remain so until the renovation project is completed.

The first annual Wine and Cheese Gala is a fundraiser for this project. In addition to wine and cheese tastings, there will be raffle prizes and music. You can purchase wine by the glass at each winery table for an additional charge.

Fifty percent of the event ticket and raffle proceeds along with a portion of wine sales will benefit the Cordova Community Pool Project. The other fifty percent will support the scholarship program, The Children's Funding Assistance.

*This event is for adults 21 and over. Identification will be checked at the door.

How do I get tickets?

Purchase tickets online (tinyurl.com/WineandCheeseGala) with a credit card or in-person with credit, cash or check only at the CRPD District Office.

Tickets are:

\$45 for VIP admission which includes wine tasting at each winery table and a commemorative wine glass

\$25 for GENERAL admission which includes wine tasting at two winery tables of your choosing and a commemorative wine glass.

*You can purchase extra tasting tickets during the event for \$5 per ticket.
