

Rosemont Community Association

Making Rosemont Bloom Since 1959

2017 Annual Update

While we will provide you with a more complete and formal annual report in July after the close of our fiscal year, here is a brief report on what your Rosemont Community Association has been doing for you this past year.

We hope you are a member of RCA and on our email list so that we can economically keep you informed and provide the resources needed to continue serving you. We want to do even more to enhance our community and keep it a safe and attractive place to live and do business. As an all-volunteer organization, we all need to work together if we are to accomplish our goals. Thank you for your support.

This past year, here is some of what RCA has been doing for you...

- Monitor and represent Rosemont in influencing development plans that could affect us
- Worked for more law enforcement patrols in Rosemont
- Press for stricter code enforcement to assure properties are clean and safe
- Co-sponsored a major trash removal day
- Conducted an active anti-graffiti project to remove tags as quickly as possible
- Fostered active Neighborhood Watch programs throughout Rosemont
- Conducted a quarterly Kiefer Cleanup project to keep you main street litter free
- Worked with the County to install attractive entrance signage identifying Rosemont
- Sponsored the annual Santa Parade and Toy Drive, collecting gifts for needy children
- Produced the annual August Celebration of Community for over 1200 people
- Co-sponsored the annual Rosemont High Homecoming Parade
- Provided an active web site with news of the community and upcoming events
- Support several social media sites to help people stay in touch with happenings here
- Conducted a continuing series of personal finance management workshops
- Sponsored a teen safe driving program to help students learn to drive safely
- Arranged for special events banners advertising RCA activities
- Collaborate with the County to provide funds for needed projects in Rosemont
- Conducted the monthly food truck fests on first Fridays at our community park
- Collaborated with our Cordova Recreation and Parks District on services in Rosemont
- Sought a major grant to support and initiate projects to continue enhancing Rosemont
- Working with our Rosemont Community Foundation we have received some \$60,000 over the years to help Rosemont be the desired place to live and work that we all want.
- Worked with our schools to promote the bicycle and pedestrian safety

With these efforts and more, the Rosemont Community Association has developed a reputation as one of the premier community associations in Sacramento and commands the respect of public and private agencies.

All of this and much more is all done by a relative handful of volunteers who care about our community. We would welcome the help of more people who want to make Rosemont all it can and should be. **Please join us if you are not already an RCA member!**
