LESSONS FOR
KIDS!

Taste of the Little City is not only the premier fundraising event supporting the essential children's safety education program at Safetyville USA, it also offers a one-of-a-kind experience for adults to stroll the streets of Sacramento's renowned miniature city while enjoying fine food, award winning wines, and microbrews.

WHY IT MATTERS:

- *The #1 cause of death to children in the United States is injuries caused by preventable accidents.*
- *At Safetyville USA children learn how to recognize potential hazards through pedestrian role-play. They then have the opportunity to practice the skills necessary to help keep them safe.*

We hope that you join us this year as we make our community safer - on the road, in the workplace and at home.
