The Heart and Hands of Rosemont

The Rosemont Community Association (RCA) will be hosting its **17th Annual Rosemont Community Celebration** on October 3, 2026. This is the neighborhood's premier event where residents can get information on resources available on local businesses, emergency services, law enforcement, health, education, social services, animal care services, and community non-profit organizations. It is also an opportunity for neighbors to get together for fun where everything is FREE – food, music, kids' activities, and information booths.

RCA is seeking sponsorships for this event to ensure its success so that all of our neighbors have a positive experience while gaining valuable information. We offer three levels of sponsorship with varying benefits, ranging from \$100 to \$500 or more. In the attached packet, you will find information outlining each sponsorship level.
